POTSHOT

The attractions of Cambodia as a holiday destination swirl before the eyes of travel planners on the first day of the International Travel Expo Hong Kong. She certainly needs to put her best foot forward, because Cambodia is just one of 45 countries and regions vying for tourist business at the Hong Kong Convention and Exhibition Centre in Wan Chai. A photograph of a woman performing on a stage. She is wearing a blue, off-the-shoulder, long-sleeved top and a long, flowing yellow skirt. Her hair is dark and long, and she is looking towards the camera. The background is a light-colored wall with some logos and text, including '2010' and 'HONG KONG CONVENTION AND EXHIBITION CENTRE'. The floor is a reddish-brown color.
