

## **Vietjet welcomes the first flight of Hanoi – Taichung route Offering million HKD188 tickets to HongKongese**

(Hong Kong, June 22<sup>nd</sup>, 2018) – Vietjet welcomes the first passengers on Hanoi – Taichung (Taiwan) flight at Noi Bai International Airport today. The new route connects two famous cities of culture and tourism, meets the traveling demands of tourists and local people, contributes to promote trade and integration in the region.

On the flight, passengers have surprisingly received nice gifts from Vietjet and been warmly welcomed at the Taichung International Airport, the third largest and beautiful city of Taiwan. Hanoi and Taiwan are both the popular traveling place for Hongkongese. Passengers now not only can take Vietjet flight in Taipei, Kaohsiung and Tainan, but also have one more option from Taichung to Hanoi for planning their Hong Kong-Taiwan-Vietnam multi-destination trips easily.

**Hanoi – Taichung** route will be operated a return flight every Monday, Wednesday, Friday, Saturday and Sunday, with around 2 hours 30 minutes per leg. The flight departs from Hanoi at 13:00 and arrives in Taichung at 16:30. The return flight takes off at 17:30 in Taichung and lands in Hanoi at 19:20.

## **About Vietjet:**

Vietjet is the first airline in Vietnam that operates a low-cost, modernized carrier model to provide a wide range of services to its customers. Apart from air transportation, Vietjet also provides consumer goods and services to the customers through the application of advanced E-Commerce technology. Vietjet is an official member of the International Air Transport Association (IATA) with IOSA Safety Certificate. In addition to the “Top 500 Leading Brands in Asia 2016” and “Best Recruiting Brand in Asia” for many consecutive years, Vietjet is also honored to be the Best Asian Low Cost Carrier awarded by TTG Travel Award in 2015. Besides that, Vietjet is also honored as the Top 3 Fastest Growing Facebook Fanpage award by Socialbakers.

Currently, Vietjet operates 60 A320, A321 aircraft with more than 385 flights daily, carrying more than 60 million passengers up to date, with 82 routes covering destinations in Vietnam as well as international destinations such as Hong Kong, Singapore, Korea, Taiwan, China, Thailand, Indonesia, Myanmar, Malaysia, Cambodia, etc.

Vietjet plans to expand its network across the Asia-Pacific region and is continuing to expand its regional network. Recently, Vietjet signed a contractual agreement to purchase new, modern aircraft from the world’s leading aircraft manufacturers.
