Dubbed “the Pearl Island”, Phu Quoc belongs to the southern province of Kien Giang in Vietnam. Phu Quoc is a paradise of white sand beaches and clear blue waters. It is a perfect destination for Hong Kong people having a beach holiday.

As one of the most talked-about tourism destinations in Asia, Phu Quoc has attracted strong levels of investment in hotels and resorts in recent years. With this new service linking Phu Quoc and Hong Kong, Vietjet aims to not only create more convenient opportunities for locals and tourists in both countries to travel by modern and safe air service but also further fly the flag for this stunning island and contribute to the growth of tourism and trade on this amazing destination.

With a network comprising 40 domestic routes and 66 international routes, Vietjet operates safe flights with a technical reliability rate of 99.64% — the highest rate in the Asia Pacific region. As a fully-fledged member of International Air Transport Association (IATA), Vietjet has obtained the IATA Operational Safety Audit (IOSA) certificate and has been awarded a 7-star ranking, the world's highest rate for safety, by AirlineRatings.

About Vietjet:

Vietjet is the first airline in Vietnam to operate as a new-age airline offering flexibly-saving ticket fares and diversified services to meet customers' demands. It provides not only transport services but also uses the latest e-commerce technologies to offer various products and services for consumers. Vietjet is a fully-fledged member of the International Air Transport Association (IATA) with the IATA Operational Safety Audit (IOSA) certificate. Vietjet was named "Best Ultra Low-Cost Airline 2018-2019" and awarded the highest ranking for safety with 7-stars in 2018 by the world's only safety and product rating website AirlineRatings.com.. The airline has been listed in the world's 50 best airlines for healthy financing and operations by Airfinance Journal in 2018.

Currently, the airline features a fleet of 70 aircraft, including A320s and A321s, and operates more than 385 flights each day. It has transported more than 65 million passengers on a network featuring 106 routes in Vietnam and across the region including Hong Kong, Japan, Singapore, Korea, Taiwan, China, Thailand, Myanmar, Malaysia, Cambodia, etc.

Moving forward, the airline plans to expand its network across the Asia Pacific region. To prepare for this plan, Vietjet has signed agreements with the world's leading aircraft manufacturers to purchase more brand-new and modern aircraft.
