

Enhancements to SME Export Marketing Fund (EMF)

SME Export Marketing Fund (EMF) is one of the funding schemes offered by the Trade and Industry Department of the HKSAR Government with the aims to encourage small and medium enterprises (SMEs) to expand their markets outside Hong Kong by providing financial assistance to SMEs for participation in export promotion activities.

Effective from 30 April 2021, the funding scope of EMF has been expanded to cover large-scale exhibitions targeting the local market as well as online exhibitions, and the eligibility criteria has been relaxed to cover non-SMEs, for a period of two years.

Hong Kong enterprises may apply to EMF for funding support for their market promotion activities completed on or after 1 March 2021. Please refer to the [summary of enhancements](#) and the updated [Guide to Application](#) for details.
